R Self-Assessment Questionnaire

(Answering "yes" at a given level assumes that all lower levels, except level 0, are also acquired)

0 – I don't know what R is

1 – I know how to open RStudio, but no more

2 – I generally understand what an R code does, even if I could not write it myself

3 – I know how to retrieve an existing script and adapt it to my needs

4 – I know how to write R code starting from a blank page

5 – I can help colleagues solve their R-related problem
